Simultaneous EEG-fMRI: from theory to practice

October 02 - 04, 2023

Kyle Jensen

Main topics covered | October 02, 2023

- Introduction to EEG-fMRI
- Technical background of EEG-fMRI
- Introduction to hardware and software
- EEG-fMRI applications

October 03, 2023

- Setting up the EEG system in the scanner
- Introduction to Analyzer 2 software
- Paper Evaluation

October 04, 2023

- Paper Evaluation
- Effect of the MR environment on EEG data
- Gradient Artifact, Cardioballistic Artifact
- Carbon Wire Loop Regression
- Combining the EEG and fMRI data
